

Dune Buggy

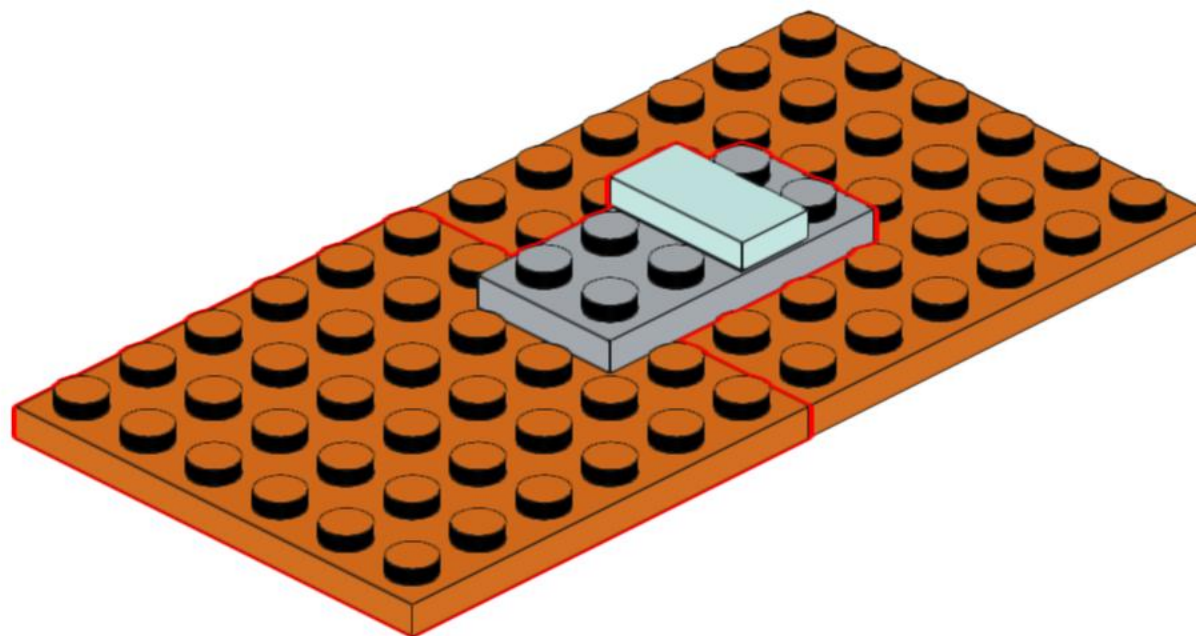

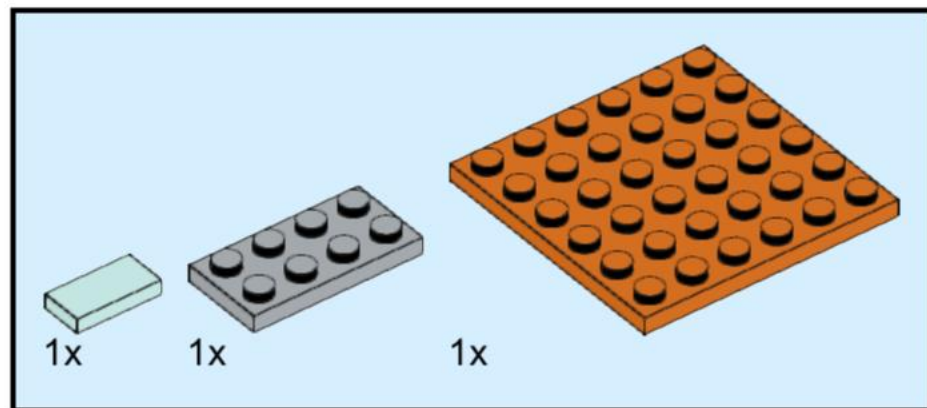

A dune buggy seemed an ideal type of vehicle to make with the 31148 Retro Roller Skate 3-in-1 set, the large tyres would be grippy enough on a loose surface, the laces have been repurposed into an anti-roll cage, and the yellow, teal and light blue colour scheme again works well in contrast here.

There is only room for one minifigure, although the six-stud wide vehicle design can normally accommodate two minifigures, the selection of pieces available in this set doesn't make that a possibility.
